## Examples

**Doggy doormats**  
Personalized with a customer's own design and logo, emco logo mats are an optimum solution for pets. The mats, made of sustainable ECONYL® yarn, can be simply washed in the washing machine when dirt accrues. Alongside this particularly high functionality, the carpet mat – which can be printed on – is a persuasive feature with its gleaming colours as well as the enduring customer logo. Thanks to production in Germany, short delivery times are possible and special finishes can be effortlessly realized.
